

Wyser is proud to be a part of Gi Group Holding,

a global market leader operating on three continents, offering cross country solutions, international mobility programs and partnerships.

Wyser is a retained search recruitment company specializing in Executive Search and Managerial Recruitment services.

Our approach leverages the **Executive Search methodology** to drive business development through strategic C-Level relationship management and professional network expansion.

We offer the quality and standards **of an Executive Search boutique**, paired with swift efficiency and dynamic pace of tailored solutions.

WHAT MAKES US UNIQUE?

Consultants' Expertise

Our team is comprised of seasoned consultants (10+ years of experience) with extensive expertise and market knowledge in their respective fields.

Specialization

We are focused on job families (know-how and value generation) and further specialize by industries.

Long-Lasting Partnerships

We concentrate on fostering enduring partnerships by building an extensive network of top talents, ensuring we connect the right people with the right opportunities.

Consulting approach

We provide a seamless recruitment experience by combining strategic planning, in-depth analysis, tailored solutions, and effective candidate management.

End-to-End Responsibility

Our 360-Degree Model guarantees the highest level of commitment from our Consultants, who personally manage all steps of the recruitment process.

High Potential Trait Indicator analysis

We utilize HPTI to accurately assess candidates' leadership potential and their ability to achieve long-term success.

Flexibility

We leverage global resources while maintaining autonomy as an independent entity, to respond swiftly to changes, adapt to market trends, and manage risk effectively in the recruitment process.
